

ARE WE A
GOOD MATCH?

I love connecting and working with new people, but sometimes it just isn't an instant match and that isn't anyone's fault! While I do my best to accommodate your needs and support you with your business journey, our styles and processes just may not sync up.

If you do love my work and aesthetic but cannot tick some of these boxes, please still get in touch as we might be able to come up with a way to work around them. Or I also have a list of recommended designers who may be a better fit for the job!

DEFINITELY YES, IF:	NOT SO MUCH, IF:
